***Waikahalulu, ili of Honolulu, Kona, Oahu**

*Note on Waikahalulu, from Awards Book 2:356:

Government takes makai portion of Waikahalulu. Land Board decides Kalama has no right in makai portion because:

1. "land has been under the control of the Public Authorities from ancient times, and that since the organization of His Majesty's Government, that control was undisputed until the year 1850, when Mr. Charles Kanaina raised an objection on behalf of Her Majesty Queen Kalama after the King in council had granted a part of said land to the North Pacific Steam Navigation Company."
2. "because it appears that at the time of the Mahele in 1848 in which the ili of Waikahalulu is said to have been given to the queen that she was to have only the mauka portion, the makai part being clearly regarded as being set apart for the use of the Government."

**HOUSELOTS: *Pamoo, Halehala, and Aienui in Honolulu;
Waiokama in Lahaina, Maui**

*Note on Pamoo: from Nakookoo #6756 [This is not the K/A Nakookoo, but Nakookoo the widow of Kapokini; see K/A Kalaeokekoi 601]

NT 194.10: J. Kekauahao appears before King "on behalf of Nakookoo's claim to Pamoo in Honolulu here. The King has explained that Nakookoo has no claim there, he [the King] had given the remaining land to H. Kalama after a sale with the foreigners. This remaining parcel is the land Nakookoo is trying to claim." "See p. 249"

NT 249.10: [reads "6576" instead of 6756]

"The written rejection by the king for my claim in Pamoo is valid because the place had been from the king to my husband, then it was passed on to me; however the king has said it is his place; so be it. I shall never object and I have no claim there." Nakookoo.

FT 81.16 Kekai, sworn, says he knows the House Lots of Queen Kalama at **Lahaina, Maui:**

The first Lot is in the Ahupuaa of "Waiokama" and is bounded Mauka by the Konohiki's land; Olowalu side by Kaheana's land; Makai by the Public Road; Kaanapali side by the Loko called "Mokuhinia." Clt. received this Lot from the King about the year 1836, and her retainers have occupied it ever since, without dispute.

The second Lot is also in "Waiokama," and is bounded Mauka by the Public Road; Olowalu side by the Konohiki's land; makai by land of A. Paki, Kaanapali side by the Loko called "Mokuhinia." Clt. rec. this lot from the King at the same time as the first Lot and has held it ever since.

Keawehano, sworn, says he knows these two Lots and confirms in full the testimony of Kekai.

PROBATE 1562 (1st CC; 1870) Hakaleleponi Kapakuhaili Kalama died in Honolulu September 20, 1870.

[Kalama died intestate; her uncle Charles Kanaina was declared her heir. In after years, the matter of her "rightful heirs" became the subject of dispute in the Courts.]

[The original Kalama Probate 1562 papers were stolen from the Archives some time in the 1960s. Agnes Conrad, then Archivist, retrieved a xerox set that had been made for "a lawyer" and copied it. This is the set of Probate 1562 papers now in AH.]

Kalama's birthdate:

from Paulo Kanoa's testimony in Probate 1562: says he came to Honolulu in 1821, at the age of 17 [=b. 1804] "Kalama was born then. She was small when I came here--2 or 3 years old." Therefore, she was born ca. 1818.*
*HAA 1930 in "Holiday Observances" gives Kalama's birthdate as "about 1820." AH record: 1817, at Kaeleluluhulu, N. Kona. Korn ("Letters from Molokai" No. 51, note 3) follows AH (1817).
